Alternatives Appear Grim If School Mill Raise Fails

Closing and/or combining schools, cutting teachers' salaries and eight month school terms were among dire predictions made when Hancock County school board met Labor Day, re-opening a recessed Aug. 18, session. This arose when the possibility of voters failing to support the 3 mill increase when they go to the polls on Saturday, Sept. 14, came under discussion.

The millage increase, part of the package teachers' \$1000 across-the-board pay raise passed by the '68 State Legislature, was deemed necessary by the school board and board of supervisors when it became apparent that the 4 mill increase allocated for extrafunds covered only 47 unit teachers out of the system's total of 72;

and made no provisions for cost-of-living raises for transportation, clerical, lunchroom or maintenance personnel.

Walter James Phillips, board attorney and a state representative, again outlined provisions of the bill, adding that home-stead exemption returns did not cover anything over 17 mills; and basically the vote will be to allow the county to go above the 25 mill limit previously set by law.

Board President Ed. P. Orte commented that closing Charles B. Murphy School at Pearlinton and transferring the 170 pupils now registered there, to Gulfview in Lakeshore would force 477 students in to classrooms intended for 300. Eugene Ladner, superintendent of education and Eric Lar-

sen, questioned the feasibility of operating on an eight month term basis, but Phillips said that, although allowed by law, state aid would decrease accordingly.

Ladner then pointed out that the county system has not been found to be out of compliance with the Department of Health, Education and Welfare (HEW) and they would not be wise to risk losing these federal funds.

All agreed that cutting teachers' salaries would be disastrous as too many capable instructors have already been lost to states with higher pay scales.

A group of Pearlinton parents appearing before the group, represented by Pass Christian Attorney, Randall Jones, asked for full or partial relief, either by providing transportation or helping pay tuition, to send their children to Bay Municipal Schools. Jones was instructed by the board to submit documentary evidence that these P-TA members petitioned on grounds that they were denied freedom of choice, either in the form of an affidavit or by certified copy of minutes of the meeting at which the question arose.

During a brief recess the board crossed Main St. and inspected unoccupied offices in the Russell Building as a potential for use by the county school board. No final action was taken until decision could be reached

as to who is to pay for installing a door necessary to make the space practical for occupancy by Eugene Ladner, his staff and the board.

Receipt of a check in the amount of \$14,049, NASA payment for land purchased for their recreation area, was acknowledged, and funds are to be accordingly divided between Beats 1, 2 and 4, in which the acreage was located.

Monthly statements were approved and the group recessed until 10 a.m. next Monday.

Hancock County Civil Defense Director Lucian Kidd, Sheriff Fred Curet and deputies were alerted at 9 p.m. Tuesday by members of James Manuel Perkins' family and told that he had left home several hours earlier and failed to return.

Kidd, with Earl (Buck) Ladner and the sheriff's department bloodhound Track, were joined in the area where Perkins was last seen, by Harrison County

deputies and members of the Hancock County horse patrol recently organized by Bobby Boudin. Track's keen nose was thwarted by rain drenched terrain, and the search called off from after midnight until daylight, when the Mississippi Highway Patrol plane piloted by Ptn. Jimmy Woodfin could be used.

Perkins hailed officers, who had resumed the hunt about 6 a.m., as they patrolled Highway 85. He was returned home at 7:30, wet, but apparently in good physical condition.

Six '68 Drownings Most Since '47

The death by drowning of a 35-year old Shoreline Park man raised the season's total of water fatalities to six, the largest number recorded in Hancock County since 12 lives were lost in the 1947 hurricane.

Four bodies have been recovered from the 'hole', dredged during sand beach construction, near Gulfside Assembly; the fifth was found in a canal near Bayou LaCrosse three occurred on June 24; two more on July 5.

Civil Defense Director Lucian Kidd reports that William Neal Hampton, a resident of Shoreline Park for the past four years drowned after he apparently suffered a broken neck when diving in a burrow pit near his home about 4 p.m. Friday. Hampton, swimming with his wife and four children between the ages of four and nine years; had allegedly made several attempts to repair a broken diving board before the mishap occurred.

Kidd, assisted by Earl (Buck) Ladner, recovered the body. A coroner's jury empaneled by Emile Piazza with Sheriff Fred Curet, bailiff, and Kidd, Ladner, Fred Bourgeois, J.T. Jacob, Walter Saucier and Woodrow Lafontaine, jurors; ruled death due to accidental drowning.

Funeral services for Hampton, a native of Phoenix, Miss., were held in Vicksburg, Miss.

He was a member of First Baptist Church in Bay St. Louis, and a painter by trade.

Survivors in addition to his wife and children Catherine, Vickie, Cindy and William, Jr. are his mother Mrs. Decie Miles Hampton of Bastrop, La., five brothers, one sister and five half-sisters.

Eighty to \$90 Taken Saturday in EZ Hold-up

Eighty to \$90 were taken at gunpoint from a clerk at EZ-Food Store on U.S. 90 at Washington Road about 9 p.m. Saturday.

City Police Lathon Garriga said Ptn. Eric Necaise and Douglas Williams answered the call. The clerk told officers that a heavily bearded white male, weighing approximately 170 pounds, entered the store and drew a revolver, ordering the employee to give him all money in the cash register, then drove away in a late model yellow and black Plymouth.

Women Drivers Told How to Avoid Attack

Attacks on women drivers are crimes of chance and can be prevented, advises Nelson Hall, president of the Mississippi Automobile Dealers Association, state-wide trade organization of the factory-franchised new car and new truck dealers.

President Hall, weighing the problems that lady drivers sometimes face, declares that criminals take advantage of time, place and opportunity to attack. He said that the best protection is to avoid setting up the circumstances which would contribute to crime by taking the following measures:

1. Keep the tank full, the car in tip-top shape, stay on well lighted roads, avoid bad neighborhoods, even if it means going out of the way.
2. Lock all doors and keep the windows closed at all times. Keep your purse, jewelry and packages out of sight. The flash of a diamond could be the trigger to trouble.
3. Keep your car in gear at intersections. If anyone tried to open the door, police say to "take off" - even if it means disregarding a traffic signal.
4. You're most vulnerable when locking and unlocking the car, so park in attended commercial lots or on well-lighted streets. If someone is loitering about, walk past your car till you can get trusted help. Look in the car before opening it.
5. Tell someone your route, destination and time of arrival. If you have a flat, you can drive slowly on the tire for 15 miles. If you break down, sit still. You are safest in a locked, closed-up car. Eventually, someone will come for you.
6. Wait for police and don't hesitate to wave strangers by. Tell them, through the closed window, that police are on the way.
7. Should a car block your path, blow your horn repeatedly for help, but stay in the locked car. If you are followed, drive to the nearest police or fire station, or well-staffed gas station. Don't go home, even if it's close by.

8. Consider taking a dog along, preferably one trained to protect you. Or - take a cab.

9. Forget about being kind to others, about being late to the party, or being over-cautious. Think of yourself first and apologize later.

10. If all else fails, don't panic. Scream your head off, MADA advises.

Taxpayers Ask

Q - Will I have to increase my next estimated tax payment to take care of the new 10 percent surcharge?

A - Yes you may. In general terms, the surcharge will increase the tax paid by individuals on their 1968 income by 7 1/2 percent. Although the surcharge rate is nominally 10 percent it applies for only three quarters of the year so that the rate for the year is 7 1/2 percent.

Employers have adjusted the withholding rates on wages and salaries to take the surcharge into account. Taxpayers who file estimated tax declarations should make any necessary adjustments when they pay their third quarter installment which is due September 16. To help you make this adjustment, IRS is enclosing a special work sheet in its mailing of third quarter estimated tax notices. As long as taxpayers meet at least 80 percent of their tax liability for the year either through withholding or through estimated tax payments they will not be subject to any penalty for underpayment of estimated tax.

Q - Can tax disputes settled with your Appellate Division be opened up again by IRS?

A - They are not reopened unless evidence of fraud, malfeasance, concealment, misrepresentation of facts or an important mathematical mistake is discovered. Taxpayers reaching an agreement with Appellate can do so with the assurance that aside from the reasons mentioned above, the

Stennis Gives Views on Czechoslovakia

In the period since last week's White House conference on Czechoslovakia, the situation in that occupied country has remained serious. It is still impossible to know when and how this confrontation with the Russians will end.

The Russians have not been able to force the Czech people into submission as easily as they expected. There is passive, but unyielding resistance. This continuing patriotic determination of the Czech people indicates, I believe, an opposition to hard-core Communism. Encouraging also, is the fact that Rumania and Yugoslavia have refused to take part in this invasion, and have even dared to denounce it.

President Johnson, members of the Joint Chiefs of Staff, the CIA Director, the Secretary of Defense and other presidential advisors who met with us last week were very thorough in their discussion of the crisis in Eastern Europe. They also discussed with the 27 Congress-

ional leaders present the situation in Vietnam.

It was my contention at this conference that the United States should avoid any military moves in Western Europe aimed at Russia, but should closely watch changing events in Eastern Europe. The moving of troops into Czechoslovakia is a crushing and cruel blow to these people who have so recently experienced "freedom." These aggressive steps against the Czech people indicate Russia's attitude is still very similar to what it was twelve years ago in Hungary.

The Soviet invasion of Czechoslovakia is confined, thus far, within the Communist family. It could be extended, however, to the free countries of Western Europe, to those countries who we have pledged to aid through the NATO Pact.

The United States must stand firm and alert to the situation in Eastern Europe, but our allies in Western Europe have an even greater obligation to stand firm. For my part, I want their attitudes watched very closely.

I regret these attacks on Czechoslovakia, but it is a fair warning to us that Soviet Russia's basic policy has changed very little since World War II. It is also another clear warning to us that we must keep our guard up and not neglect our military preparedness.

IMPORTANT NOTICE TO THE VOTERS OF HANCOCK COUNTY SCHOOL DISTRICT

ON SATURDAY, SEPT. 14th You are strongly and urgently requested to GO TO THE POLLS and represent your children of the Hancock County School District by VOTING TO DO YOUR SHARE IN MAKING IT POSSIBLE FOR TEACHERS' SALARY INCREASE.

Governor John Bell Williams and the Mississippi Legislature passed into law a \$1,000 pay raise for teachers, feeling that this is not only deserved, but **ESSENTIAL TO SECURE AND RETAIN BETTER TEACHERS.**

TO MEET OUR SHARE OF THIS INCREASE, IT HAS BECOME NECESSARY TO ADD THREE MILLS TO TAXES PAID BY RESIDENTS OF THE HANCOCK COUNTY SCHOOL DISTRICT. THIS WILL BE AN EXTREMELY SMALL INCREASE IN TAXES that will be hardly noticeable to the average tax payer. WE MUST RAISE SALARIES OF OUR TEACHERS AND OTHER SCHOOL EMPLOYEES.

IN THE PAST SIX YEARS YOUR COUNTY SCHOOL BOARD HAS COMPLETED A BUILDING PROGRAM AT ABSOLUTELY NO ADDITIONAL COST WHATSOEVER TO THE TAX PAYERS, AND HAS DONE THIS WITHIN OUR SCHOOL BUDGET.

THESE INCLUDE: THE BEAUTIFUL, MODERN 12- ROOM SCHOOL AT PEARLINGTON—IT'S CAFETORIUM, MODERN SEWERAGE PLANT, FURNISHINGS — EVERYTHING POSSIBLE TO ACCOMMODATE YOUR CHILDREN.

HANCOCK NORTH CENTRAL HIGH SCHOOL IS COMPLETELY MODERN WITH 8 CLASSROOMS, LIGHTED FOOTBALL FIELD, A TRANSPORTATION CENTER AND A NUMBER OF BUSES.

GULFVIEW SCHOOL AT LAKESHORE IS A MODERN 8-ROOM SCHOOL WITH CAFETORIUM, NEW DEEP ARTESIAN WELL, MODERN SEWERAGE PLANT, TWO NEW ROOMS ADDED TO THE EXISTING BUILDING AND A COMPLETELY RENOVATED GYM.

ALSO INCLUDED IN OUR SCHOOL SYSTEM IS THE SPECIAL EDUCATION SCHOOL FOR CHILDREN WITH SPECIAL EDUCATIONAL PROBLEMS, LOCATED IN CLERMONT HARBOR.

All of the above was accomplished without any additional taxation--at no expense to you, the people, and within our set budget. The Hancock County School District has complied with NEW AND WILL CONTINUE TO RECEIVE ALL FEDERAL BENEFITS.

Now, with all of these improvements, we must have good, well paid teachers and other employees in the system. We have excellent personnel operating these schools, including transportation, clerical and lunchroom workers. They **MUST BE PAID FAIR WAGES AND IT IS UP TO YOU, THE PARENTS AND OTHER FAIR MINDED PEOPLE WHO BELIEVE OUR CHILDREN SHOULD BE WELL EDUCATED AND PREPARED TO FACE THE FUTURE.**

In consideration of the above, we trust you will find time and be willing to GO TO THE POLLS SATURDAY, SEPT. 14, AND VOTE FOR THE FUTURE WELFARE OF YOUR CHILDREN.

Editors' Lament

Publicity Chairman-Friend or Foe????

NOTE: This article is written with the best of intentions and malice toward none. Having personally been probably one of the world's worst publicity chairmen for a number of unfortunate organizations, we only wish someone would have shared a few simple truths and explained what is required of the person who accepts such an office--it would have certainly simplified matters for everyone concerned.

One of the most frequent complaints heard by any editor, newspaper ad salesman, type-

setters, bookkeepers, even office boys--is, "Why do certain schools, clubs, businesses and other groups get such frequent publicity and others, little or none?"

The answer is simply that the "favored group" had the foresight to appoint or elect, as may be the case in some instances; a man, woman or child either trained in the fields of publicity and public relations; or is just lucky and comes up with someone who seems to have been born with a knack for handling these duties.

The first step is to contact news media such as daily and/or weekly newspapers, radio and television stations, and learn their deadlines. All will happily inform you of the best hour to submit copy, and what is the latest possible time that it may be accepted for publication or broadcast on a given date.

Next, the publicity chairman should be able to type, or write legibly with a dark ink pen, and remember, double spacing is a must! If you're handwriting news copy, lined notebook paper is excellent--but skip one line between each sentence--remember it must be edited; and please have pity for the poor typesetter. Make A's that look like A's not O's, and continue writing each letter clearly right on down the alphabet.

If in doubt about proper spelling, it won't take but a moment to look it up in any good dictionary. Also, please remember that a married woman or widow is Mrs. John Jones, not Mrs. Mary Jones; unless she happens to be a divorcee. The use of first names is acceptable in less formal releases, such as those to be

used on a sports page; but then, omit the Mrs. altogether.

You don't have to be a potential Pulitzer Prize winning author to report what occurred at a garden club meeting, for instance. Just the facts and details if ribbons were awarded, officers elected, etc.

Please do not capitalize any complete words such as titles of books or plays. Capitalize only the first letter of each word, except for, and, the, etc. These are capitalized only when used at the beginning of a sentence or title.

When writing Mr. and Mrs. Tom Jones, spell, do not use only the & symbol.

Whenever possible, avoid phoning any story longer than a very brief item. Long lists of names given over the telephone rarely enter print properly spelled. If you must phone club items, please contact your local correspondent. In the Bay and surrounding areas, Mrs. A.C. Favre handles such matters. Miss Cecile Turcotte writes Waveland Notes; Claire Mitchell, Kiln news; Brenda Anderson reports Pearlinton happenings and the Echo hopes to come up with a Clermont-Lakeshore correspondent soon.

Just in case you're more confused than you were before you began reading the foregoing, the area is blessed with some real professionals in the field and we're certain that these people or institutions, would willingly share their knowledge with a budding publicity chairman. Just some of these include: Mack Herring and Terry Malone at MTF; Nel (Mrs. Wayne) Ducomb of the Mississippi Monitor; Caroline (Mrs. Frank) Klefer, Chamber of Commerce; Charles Carter, Jr.

Coast Electric and Paul White, Gulf National Bank. Also Lois (Mrs. E.D.) Morgan, Junior Auxiliary, Jean (Mrs. Richard) Reeves, Bay-Waveland Yacht Club and Cal Smith, Pass Christian Isles Golf Club. St. Stanislaus's Bro. Aquin is most capable; as are personnel at St. Augustine, Christ Episcopal Day School, Bay Municipal School system and many, many others.

Dolly

As do most, your reporter has the unfortunate habit of sort of grouping all people of a given state in one mental category. After traveling southern highways constantly for a number of years, we just automatically listed any possessor of an Alabama license tag on our number one WATCH OUT, 'CAUSE HE'S GOING TO DO SOMETHING DRASTIC, sheet!

They're Great Drivers!

Now however, for reasons so obvious, they need no mention, we have discovered that Alabama automobile operators, or at least those from anywhere north of Mobile, are expert--we just love to share our thoroughfares with them!

And in case anyone isn't aware of the following social-news note, we'll mention that Ben Smith, president of Bay St. Louis Newspapers, Inc. brought his most attractive wife Frances and small sons Phillip, Richard and Tim, to the Bay for a business and pleasure trip last week. They hail from Ft. Payne, Alabama, and were guests of Club Lodge during their stay here.

Another member of the corporation, Jim Lancaster, of Godsdan, Alabama, should be arriving soon to look everything over--and when Sid Gould recovers from his back troubles, he will be drifting down from Montgomery, Alabama!

Nancy and Lucien Cox are too pleased over results from their first Echo classified ad that they probably will be pleased with anything we say about them but we should comment they drive their 'new' air conditioned 'beats' beautifully. The ad which proved so successful brought them a cash buyer, who first called early Thursday, just as soon as Echoes were distributed in Lakeshore, and sealed the deal Friday night.

Classified Fan

Elaine Colson is another who is all smiles over classified ad results. She had 12 applications to fill the job as cashier in Scrimshaw's, and an 'old' friend, formerly employed at Beach Drug, Madeline Prendergast has the position.

Smash Hit

One more Echo bit. All tickets to the Little Theater extra South Pacific had been sold well before noon Friday--and we feel that Emily de Montluzin's beautifully written review, under her nom de plume L'Inconnu was a large factor in filling the house to capacity. Incidentally, everyone lucky enough to have a ticket concurred heartily with her opinion of the show.

Glorious golden weather added to joys of Labor Day weekend, and Bay-Waveland Yacht Club was the only spot a bit quieter than usual as many members journeyed to Panama City for the Lipton Cup races.

Pass Christian Isles Golf Club members and visitors alike concurred in the opinion that the Labor Day weekend tournament was a whopping success. The 3-day best ball competition was apparently enjoyed by all, as were dinners and cocktail parties in conjunction with the affair. Club members John Gimma and Mickey Bellande walked off with top honors. Red Reinike, Cary Spence and the Genin brothers, Robert and John walked away owners of beautiful new clubs and bags. Fran (Mrs. John) Griffin, co-chairman of the affair labored long and faithfully aided by women members who made sandwiches to be sold to raise funds for their upcoming tournament. Her lovely daughter Sharon and equally lovely friend Terri Fewell acted as 'golf-car hops'.

Just a few on hand when awards were handed out included Gloria Reinike, Zelda and Ken Waltmann, Scotty and Wendell Watson, and Russell Elliott.

Gerry and Sam Benigno's friends are saying they'll have the 'trip' of the year driving about in their luxurious new 'green 'LSD'.

Carbajal's Guests

Rosemary and Andrew Harahan and children Greg, Tommy, Pat and Margaret enjoyed vacationing in Birmingham. They'll be off to another in Memphis this weekend.

Mr. and Mrs. Myron Smith returned last week from their vacation, but we received details too late for the Aug. 29, edition. They jetted to San Antonio where they were guests of Myron's brother Russell W. Smith and family and they took in the HemisFair, then drove to Mexico for a bit of sightseeing. (Cont. on Page 4-B.)

Auto People

Paul Merrill and his attractive wife returned home Thursday afternoon after taking in the automobile show in Birmingham. They'll be off to another in Memphis this weekend.

Mr. and Mrs. Myron Smith returned last week from their vacation, but we received details too late for the Aug. 29, edition. Mrs. Amanda Fayard

SURPRISE! Mrs. Amanda Fayard prepares to blow out 68 candles on her birthday cake at the recent surprise party given in her honor by her daughter and son-in-law, Mr. and Mrs. Albert Garcia, Jr. Her children, grandchildren and a number of friends helped celebrate the occasion.

Kenny Martinolich Feted Friday

Dr. and Mrs. A.K. Martinolich entertained Friday night with a party honoring their son Kenneth on the occasion of his 16th birthday.

Guests were Sonny and David Depree, Adele and Laurin Favre, Tommy Worrell, Ann and Paul Clark, Susan and Jimmy Haas, Deana Lemon and Meg Floyd of Gulfport.

Sodality Plans Fall Events

Plans for the luncheon and social scheduled for noon September 11, were completed when the Sodality of Our Lady of St. Clare's Parish met last Tuesday in the Parish Hall.

Mrs. Charles Richard, prefect, offered the opening prayer and conducted the business session. Minutes of the previous meeting were presented by Mrs. A.N. Grass, recording secretary; Mrs. Adrian Chagnard gave the treasurer's report. Mrs. A.N. Canady, corresponding secretary and publicity chairman, reported on correspondence received and sent out since the July meeting. A new member, Mrs. Perry Lott, was welcomed.

Activities for September include monthly luncheon and social sponsored by the Sodality from 12 to 3 p.m., September 11, in the Parish Hall and monthly meeting at 1 p.m., September 24 in the Parish Hall.

Arceneaux Baptism

Sean Edmund Arceneaux, infant son of Mr. and Mrs. Andre Arceneaux, was baptized Sunday afternoon in Our Lady of the Gulf Catholic Church with the Rev. James J. Blanton, pastor, officiating.

Godparents were maternal cousin Gerald Higgins and Mrs. Frank Brundage of New Orleans. A family reception followed the christening.

Get Well Lee

Lee Costa is still a patient at Gulfport Memorial recuperating from his second bit of major surgery in less than three months. He's feeling better, but misses the TLC for which our own Hancock General Hospital is famous.

A recent Waveland visitor who plans to make this his permanent home is Jack Essex of Houston, Tex. Jack was the youngest Liberty Ship Captain in World War II, having been even younger when he graduated from the Merchant Marine Academy. He loves to shrimp when he's the guest of shrimp and Hap Carter.

Molly and Dave Casey week-ended in their Lakeshore home, Mudville.

MORE BIRTHDAYS

A very happy birthday goes to Mrs. L.C. Chamberlain, the former Jeanette Drysdale, who was 90 years young on Aug. 29. We also want to send a greeting to Lynchburg, Va. where Mrs. Powell Glass (Red's mother) opened gifts on Tuesday, Sept. 3. Al Moore celebrated on the same date.

And little Christian Spencer Powell will blow out his very first candle today, Sept. 5. Willie Heath's flying service has reawakened interest of such veteran pilots as Buddy Dodson and Jack Seuzeneau and Lloyd Burleson is discovering thrills of the pursuit.

What is estimated to be the largest crowd ever to gather in Waveland at any given time turned out for the big Waveland fireworks display Sunday night. There were so many all along the beach that we were unable to spot more than a couple of familiar faces. We were happy to see 'Chief' Alcine Saucier able to be up and around after his recent hospitalization.

Claire and A.J. Frey and guests had a ball on their yacht over the weekend and viewed the big display from that vantage point.

Earline and Walter Russo and daughter Leigh Ann are home after vacationing in the mountains of North Carolina. Lt. J.F. Auderer, stationed in Vietnam with the U.S. Marine Corps, was awarded a very high honor by the Vietnamese. Unfortunately we are unable to give the exact wording on the citation as we are somewhat lacking in multi-lingual talent.

SERVICE PROMOTIONS

The news that her son Lt. Col. Alfred McCaleb, Jr., may now drop the Lt. from his title, having received his eagle as a full colonel in recent ceremonies at the Marine Air Station in South Japan should speed her recovery.

And quite a coincidence is the fact that his cousin Foster C. McCaleb, M.D., received an identical promotion at Ft. Dix, N.J., at just about the same time. Mystery solved! Dewey Sims, now of country music singing fame, is a cousin of Myrtle (Mrs. Bill) Olson and made his home with her and her parents when he lived and worked here.

Home Again

Mrs. P.J. Treutel and Mrs. Edward Poynt (of St. Charles Ave. and New Orleans), have returned from their European trip. They went first to London, then Lucerne, Vienna and

Herberts honored on 50th Anniversary

Mr. and Mrs. Edward J. Herbert, Sr. were honored Friday, August 30, on the occasion of their golden wedding anniversary at Mass in the convent Chapel of the Sister Marianites of Holy Cross, New Orleans. Rev. Father Harry S. Smith was celebrant with Rev. James Cummings, pastor, Holy Name of Mary Church, assisting. Rev. Father Dowling, pastor, St. Julian Eymard Church, also assisted.

Gold vases holding golden gladioli decorated the chapel. Rev. Cummings presented Mr. and Mrs. Herbert the Papal Blessing Scroll.

Following Mass, a reception was given at the home of their Rome. Mrs. Poynt remained in Rome to visit her son-in-law and daughter, Mr. and Mrs. William J. Evans, who have been in Italy since Oct. '67, where he is engaged in research at the University of Rome. Mrs. Treutel went on to Cannes and Madrid, before heading home.

Good news--Mary and Frank Benz and family who have been making their home in Pennsylvania, are coming back to the Bay. In fact Mary and the children drove in Thursday night to enable them to register for school the following day.

FISHING NOTES

Hugh Miller and his visiting grandson Huey, here from Clemson, S.C. were highly successful on fishing trips during Huey's week in the Bay. They have pictures to prove their prowess which may be viewed on a sports page in this week's Echo.

Ellis Cuevas let his buddy Sam Niglaszo 'steal the thunder' Saturday, Aug. 24; but Ellis came back with a bang last Saturday and out-caught Sam two to one.

ANIMAL NOTES - Many dogs, including Little Cat, are due heartworm test about now. Taking care of this promptly may save your pet's life--and we fear many new cases of this dread disease transmitted by mosquito bites, as we've really been plagued with the miserable insects during the past two months. (Sorry 'bout that Chris--but we must take care of our pups!)

SIGHTS AND SOUNDS ALONG THE WAY - The complete emptiness (we know there's no such word, but there should be!) of the beach as just about everyone returned to school Tuesday a.m.; a huge, grey, black and GREEN cat stalking haughtily across Beach Blvd.--and it is GREEN--we have witness to prove we're not ready for Whitfield yet--seeds of children waiting for the school bus each morning, and the staccato sound of their voices as they chatter as madly as if they'd been separated for years instead of hours!

Coch Pitalo's Work

Graduations Deplete SSC Power

Buddy Pitalo has his work cut out for him in his first year as head football coach at St. Stanislaus.

Last year the Rockchaws were rated No. 1 independent team in the state with Billy Murphy as head mentor, but most of that team is gone, including the entire backfield, and Pitalo is rebuilding.

To make matters worse the Rocks started practicing only

a little more than a week ago, then came the Labor Day holidays, and the season opens Friday against a tough team, Slidell, on Slidell's gridiron. Late last week Buddy wasn't even sure who, especially among the boarders, was going out for football.

But he's sure Ronnie Genin won't be there. Ronnie played his last game last fall scoring four touchdowns as the Rocks

defeated Vancleave 37-14 in Stanislaus Stadium. However, Mike Camelli, who's the Coast's best prep school place kicker will be back. He kicked five extra points in five tries in the Vancleave game.

Steve Worrell will be hard to replace—he quarter-backed the Rocks to a 9-1 won-loss record last year. Other stalwarts missing are Vaughn Aronson, Pete Frank, Sylvan Ladner, punter and all-around competitor, Rucks Robinson, Weldon Frommeyer, 232-pound tackle, Eddie Koch, 198-pound guard, Jim Black, 187-pound guard, Greg Pressnell, 225-pound guard, Steve Struss, Bob Marshall, M.J. Rhodes and Randy Coyle, both good half-backs.

Returning are Eddie Carlton, Xavier Lewis, Ronnie Oustalet, Mike Meyers, Malcolm Coward, Charles Mathorne, Elroy Victorian, Dennis Weber, Bill Mashburn and Jimmy Oustalet, linemen.

In the backfield Pitalo will have Joe Pugh, quarterback; fullbacks Norman Coward, Gilbert Gayaut and Ronnie Prudhomme; halfbacks Max Giansel-

toni, M.J. Rhodes, Gary Griffin, John Benigno and Camelli.

"Returning", of course, means provided they return to Stanislaus and go out for football.

Balance of the Rocks' schedule is Sept. 13 at East Central; 20, St. Bernard, home; 26, at St. John; Oct. 4, open; 11, at Ocean Springs; 18, Bay High, home; 25, Our Lady of Victories (homecoming); Nov. 1, at Long Beach; 8, open; 15, Notre Dame, home. Home games will be at 7:30 p.m.

This is Stanislaus' last year as an independent team—they join the Gulf Coast Conference next year.

I work for North American-Rockwell Waveland for four years. We had been at Lamar-Lane Chevrolet about a year weren't quite ready to buy. The day taken, we decided the time had come where else because we have complete knowing that he would give us the MR. AND MRS.

Gimma and Belande PCI Tourney victors

After a tough battle, the team of John Gimma and Mickey Bellande copped medalist honors at the Pass Christian Isles Golf Club's Labor Day Tournament last weekend. It was a three-day best ball, medal play affair played under ideal weather conditions.

After the second round Gimma and Bellande were tied with J.W. Waggoner and Roy Capehart, but the winners forged ahead in the final round.

Results are: championship flight, first place, Gimma and Bellande, 210; second, Roy Capehart and J.W. Waggoner, 211.

First flight: First place went to the Genin brothers, Robert and John, second, Sedge Griffin and E. E. Baylis. Second flight, first, Stanley Wagner

and Henry Anderson; second, Ward Guillot and Emile Willis. Third flight, first, Cary Spence and Red Reinke; for second slot the team of Jay Carter and Al Poirrier defeated Howard Harper and John Mykolyk in a sudden death playoff.

Pro Cal Smith said regular sweepstakes are carded for this weekend.

NO Yacht Club takes first Lipton Cup Race in 15 years

Billy Ibs, Jr., flew in from California Saturday night to skipper New Orleans Yacht Club

to victory Monday at Panama City, Fla., in the annual Lipton Trophy Championships.

Ibs' victory, added to points already scored by other members of the New Orleans club, won for them the most coveted victory on the Gulf Coast, the Lipton Cup, but he was aided by one of the best crews in the country, John Dane and Robert Ruppel. It was NOYC's first Lipton win in 15 years and caused one of the largest celebrations ever witnessed at a sailing event, most of the winning club members jumping in the water fully clothed during the excitement.

Final standings are: 1, New Orleans, 41 3/4 points; 2, Buccaneer, 33 1/2; 3, the Fairhope and Pass Christian, 30 each; 4, Bay-Waveland, 29; 5, Biloxi, 27; 6, Pensacola, 26; 7, Gulfport, 25; 8, St. Andrews Bay, 23; 10, Mobile, 15; 11, Ft. Walton, 14; 12, Southern, 13.

Before Ibs' victory NOYC had won the opening race Saturday, the first race Sunday but finished seventh in the second race Sunday. They still led but needed Monday's win.

OLG WINS STATE

Our Lady of the Gulf CYO mixed team won the State CYO softball championship Sunday in Jackson, defeating Vicksburg 9-0. The group was accompanied by Rev. John Noone, Sister Alma Marie and Jimmy Rutherford.

Gulf Coast Transfer Tops in Kiln play

Gulf Coast Transfer, always a strong contender in the Bay Softball League under the name of Southern Realty, came out on top of a 16-team softball tournament Saturday and Sunday at Kiln. It was their last game of the season finishing with a 44-16 won-loss record.

The tourney, played as one of the attractions at the annual Church of the Annunciation fair, ended Sunday when Gulf Coast Transfer, with Claude Yarborough on the mound, defeated JQ's Grocery 24-1 in the finals.

Although they didn't win any laurels this year in the Bay League, the Transfer lads were hot last weekend and piled up 85 runs against their opponents' 24.

In the semi-finals they stomped mighty Trapani, last week winners of the Gulfport

Invitational, 21-15. They also defeated Picaune All-Stars 15-1, Nicholson 6-4 and Chateau Seu 19-3. Yarborough got credit for all the wins with manager Donald Caldwell serving in relief.

Ronnie Peterson and Leroy Luke were slugging stars for the winners, Peterson blasting a grand slam home run against the Knock-Knocks. Luke also got a homer as did Donald Strong, Walter Gagnon and Anthony Ladner.

Trapani won by forfeit over Ace Radiator and defeated Jack McNeil and White Cypress before being dumped by Gulf Coast Transfer. Chateau Seu won over St. Williams by forfeit before bowing out to the Transfers. Ladner's of Lakeshore was eliminated in its first game by JQ's Grocery.

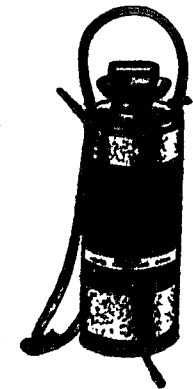

ST. ROSE SLUGGERS pose after defeating Ocean Springs 14-6 Sunday at St. Rose to end season. They are, from left, kneeling, Winston Osborn, Robert Whavers, Thomas Favre, Bobby Lizans, Maurice Simon and Daryl Fairconnetto.
